

Artist Submission Guide

Thank you for considering River Gallery as a possible representative for your artwork. We ask that you either visit the gallery in person or review our website, www.chelsearivergallery.com, prior to submitting your work. If you believe that your work is at the same level of professionalism as the work that we currently carry and would make a good addition to our gallery, we encourage you to submit the materials listed below. Please include your current address, phone number and e-mail address. The gallery will review your work and contact you within six weeks. If you would like your submission materials mailed back to you, include a self-addressed, stamped envelope.

Please include the following materials in your submission:

- Labeled slides or high resolution digital images of recent work (from within the past two years). Please include slides from multiple perspectives for 3D work if one image does not represent the work.
- Inventory list of submitted images indicating title, size, medium, date of work, and retail price of work.
- Resume, including exhibition history.
- Recent artist statement.
- Any additional information such as past show marketing materials, press reviews, catalogs, etc.
- A separate page with brief, simple answers to the following questions:

How did you hear about our gallery? Do you have your work at any other gallery? Are your submitted images representative of your current work? What direction do you see yourself working in for the next few years? How often do you produce new work?

We review submissions on a regular basis and are happy to answer any questions by phone or e-mail. We look forward to hearing from you, Deb Greer and Patti Schwarz, Gallery Directors.
